Having been pretty much out of the social media world for several years I came back to a changed landscape and found myself a little out of touch when it .

Cherry pie contains all three types of carbohydrates: fiber, sugar and starch. One slice of pie contains 50 g of carbohydrates. One gram of these carbohydrates is fiber. This provides less than 5 percent of the daily value of fiber for both women and men. An additional 18 g of the carbohydrates in 1 slice of pie come from sugar. Named by the Times as one of the 50 best food blogs and one of the top 10 blogs for the home cook, A Slice of Cherry Pie has been faithfully reworked from a blog with a large and loyal following into a beautiful cookbook. Julia's writing interweaves food with beautifully composed evocations of the places, people, and memories which inform her recipe creations--a mix of modern rustic Reviews: 1.
