Andy LaVerne has taken his decades of experience as a first call jazz pianist and satisfied a long awaited need by creating this comprehensive compendium of contemporary moving voicings. Andy LaVerne's Chords in Motion is a study of encyclopedic scope on the use of harmonies based on fourth intervals in the context of jazz harmony. There is a wealth of information in terms of voicings, voice leading and chord/scale relationships and their application to common harmonic formulae (ii-V, etc.) and the chord progressions used in blues and common standard tunes.
