Agaves of Continental North America This is a beautiful book and it must have all the Agaves in North America listed. It was recommended in a class by the Agave instructor at Desert Botanical Garden. If you want in-depth Agave information, you won't be disappointed. I enjoy having this in my Desert Landscape collection as a movefanatic.com: At least two races of man have invaded Agaveland during the last ten to fifteen thousand years, where, with the help of agaves, they contrived several successive civilizations. The region of greatest use development is Mesoamerica. The uses of agaves are as many as the arts of man have found it convenient to devise. At least two races of man have invaded Agaveland during the last ten to fifteen thousand years, where, with the help of agaves, they contrived several successive civilizations.5/5(1). Agaves of Continental North America This is an indispensable guide to agaves. The uses of agaves are as many as the arts of man have found it convenient to devise.5/5(1).
