

Always Another Side

Applied Numerical Methods for the Microcomputer, Sapelos People: A Long Walk into Freedom, Manual welding materials of foreign products volume(Chinese Edition), Sexualized Children: Assessment and Treatment of Sexualized Children and Children Who Molest, Zur Geschichte Des Gottesdienstes (German Edition), Schildgeld Und Heersteuer: Eine Vergleichende Studie Zur Entwicklung Lehnsrechtlicher Strukturen Dur, Oboe Concerto 1 in B Flat, Power Electronics: Advanced Topics and Designs: NEW (Volume 3),

Always Another Side is the story of two men, both burned previously by love, and at a point in their lives where it seems daunting to start over. Jack is 40 and is recently out of a 16 year relationship with a scumbag, though he thought he'd be with the scumbag forever/5.

Now, before you think everything I said in the previous paragraph means 'Always Another Side' is a boring book, allow me to reassure you. This book was touching, the story gripping and both Jack and Tyler charmed their way into my reader's heart. "Certainly, before the phrase was coined, Jean Rhys was a post-colonial writer whose work reminds us that 'there is always another side, always.'" – Laura Fish, The Independent, July 24,

Always Another Side is extremely well written. This is a beautifully done true-life relationship-based story. Jack and Tyler are two mature men who have experienced heartbreak – Jack has recently broken up with his partner of many years after his significant other cheated on him and Tyler has never successfully been involved in a long-term relationship. "I will always protect you. I promise." She's whispering because she doesn't trust her voice above a whisper, and she's whispering because she's seen this look on her sister's face.
