The author appreciates how you got to the place where you need this book. Management tapped you instead of some experienced manager from the outside because you know the technical challenges, company culture, and team players better than anyone else: you're ready to hit the ground running. But the skills that make you an excellent techie are not sufficient to make you a successful manager.

This pdf about is From Techie to Boss: Transitioning to Leadership. I found this copy at the internet 2 minutes ago, on October 31 2018.
