Seiders talk focused on a study of three Boston schools, all of which have character education as part of their missions. At Boston Prep, for example, a new charter school with character education as an explicit component of the school, Seider observed school-based ethics training in action. Lyra (pronounced LIE-RUH) Belacqua is the lead protagonist of the His Dark Materials trilogy and the main character of the series' first book, The Golden Compass. Rather than present yet another implementation model, Character Compass highlights the importance of process, context, diversity, and commitment to a vision. This is a unique, intelligent, articulate, and valuable addition to the body of knowledge informing best practices in character education.

In Character Compass, Scott Seider offers portraits of three high-performing urban schools in Boston, Massachusetts that have made character development central to their mission of supporting student success, yet define character in three very different movefanatic.coms: 6.

In the story, a daemon more or less is a physical representation of a character's soul. Lord Asriel: He's one of the bad guys. Oh, he is Lyra's father too, but she doesn't know that at first.
