Quotes from reviews of The Plug-In Drug: From Library Journal: "After 25 years, Winn (Children Without Childhood) has completely revised and updated her landmark study of the influence of television on children and family life by incorporating findings based on recent research and investigating the impact of the home computer, the VCR, and the video game terminal. Not only is The Plug-In Drug filled with incredible statistics, but it is an extremely readable book. I am tempted to say that the book is entertaining, except that the subject matter, and its conclusions are too disturbing to be described as "entertainment."Reviews: The Plug-In Drug: Television, Children, And The Family is a book of social criticism written by Marie Winn and published in by Viking Penguin with the ISBN In it, Winn brought the communications medium of television under withering fire, accusing it of wielding an addictive influence on the very movefanatic.com published: teachers, including The Plug-In Drug: Television, Computers, and Family Life (, revised), Children without Childhood (), and Unplugging the Plug-In Drug (). Her recent work has focused on urban wildlife; in she published Red-Tails in Love: A Wildlife Drama in Central Parle.
