The Story Girl is a novel by Canadian author L. M. Montgomery. It narrates the adventures of a group of young cousins and their friends who live in a rural community on Prince Edward Island, Canada.

In the Story Girl and the Golden Road, LM Montgomery takes us to a lovely place indeed- her descriptions of Prince Edward Island make the reader want to be there, the tales the Story Girl tells us are charming as is the Story Girl herself, and as beautiful is that childhood that the book takes us to- at a time when children were perhaps more 4/5.

One of them is "The Story Girl", which follows the adventures of a group of young cousins and their friends during a long summer on turn-of-the-century Prince Edward Island, Canada, Montgomery's birthplace and the setting of many of her movefanatic.coms:
