He presents the right practice for managing a business trajectory and winning consistently over time." Egon P. Zehnder, Founder, Egon Zehnder International, Inc. "Trajectory Management puts context in its rightful place: at the front, middle and end of business planning and execution.

Much business leadership advice oversimplifies the challenge of managing a business trajectory -- that is, of dealing with changing conditions over time. The ongoing search for universal best practice, for what creates excellence, for enduring firms, and for the best change management obscures the diverse situations we face in reality.

He presents the right practice for managing a business trajectory and winning consistently over time." Egon P. Zehnder, Founder, Egon Zehnder International, Inc. "Trajectory Management puts context in its rightful place: at the front, middle and end of business planning and movefanatic.com: \$
